Our Client

Screamers Costumes

What We Did

- E-Commerce Website
- Website Maintenance
- Internet Marketing
- Search Engine Optimization
- Consulting

Our Opportunity

Screamers Costumes wanted expand their customer base and remain competitive in their industry. They were interested in taking their business online, but needed a web development company to help them make the transition. Most businesses struggle to bring their store online, which is why they requested TM to help them with their web development process.

Our Solution

TM created a customized e-commerce website for Screamers Costumes to help establish a profitable online business. In order for Screamers Costumes to have an effective online presence, their website

Our Solution (cont.)

needed to attract customers and convert them into sales. There are a lot of costume stores available online, which made developing and marketing their website vitally important to their survival. TM provided Screamers Costumes with Internet marketing consulting and online business consulting to help their website become more competitive online. TM continuously provides their website with ongoing monthly maintenance to ensure it is updated on a regular basis. Using Internet Marketing techniques such as SEO and Pay Per Click advertising has not only reaped the benefits for Screamers, but has provided them with another outlet.
